

### **\*Final Planning (Day of Wedding Package)**

This is the perfect option for the bride who wants to take care of all the planning herself, but understands the importance of this special day and wants to enjoy it without worrying about all the details.

We play a vital role, respectfully overseeing set up, vendors, answering questions, assisting all guests/participants to ensure all the activities fall into place.

- We will create a wedding timeline for you
- Assist with all pre-event set up and overseeing the event (vendor confirmations and ensuring they are present and set up on the day)
- 8 coordination hours on your wedding day. Making sure everything runs smoothly so you enjoy your day.
- we will assist with questions (help with seating arrangements, instruct helpers with duties, direct guests/participants, keep vendors in sync with timing of activities and any changes.

\*For over 200 people an additional assistant is mandatory
