

***Two months out Co-ordination**

Two months out co-ordination is custom-tailored for each wedding. Please call or email to schedule your complimentary consultation.

This is a perfect option for the bride and groom who wants to take care of most of the pre-planning. Our package includes working with you starting two months prior to the wedding day. We will make sure everything is taken care of and help you with some last minute touches.

This package includes three comprehensive detailed planning meetings:

- First appointment will be meeting the wedding planner. The importance of this meeting is to go over all plans made to date, discuss theme, colour, style and complete wedding design. We will also be collecting all your vendor contracts along with seating charts and layouts.
- Second appointment will take place at your venue; your personal wedding planner will walk the ground and map out every detail with you. This will be followed by your tasting.
- Third appointment will be a time line meeting. We will go through all parts of the itinerary that will be created for you, making sure everything has been taken care of.
- This package includes the following:
 - unlimited calls and emails with bride, groom and family
 - Basic follow up coordination calls to vendors confirming all details.
 - Coordination of your rehearsal up to 2 hours, we will provide a mini-itinerary for your wedding party and family.
 - 8 co-ordination hours on your wedding day

*For over 200 people an additional assistant is mandatory
